

40 Three Hills Lane Emu Creek VIC

4 2 4

When a family from Melbourne wanted to build their dream home, they left no stone unturned = Literally?. This home offers 4 large bedrooms, 2 ½ bathrooms and 2 living areas. But it is the details of this home that makes it so unique. Let's start at the front door that draws you to a large window with views over the valley below, which continue throughout the entirety of the home. The main living areas are facing due east with spectacular views. Large open plan kitchen, dining and living, with reclaimed timber floorboards throughout the house. The kitchen bench and bathroom vanities are made from polished concrete by a Kyneton Artist. The vast walk-in pantry off the kitchen offers ample space for kitchen appliances and food storage.

The property is constructed from concrete tilt panels, cedar
